No. 133

During my recent tour in the Kolar District, I visited a few temples and mosques where, in many cases, representations were made to me that the institutions were in want of funds to carry on worship etc. It occurs to me that charity boxes might be permitted to be opened at these institutions, ~~a small~~ sum of 6 pies or one anna being collected from pilgrims and the collections utilised solely for the benefit of the institutions themselves. This may be kindly suggested to the Muzrai Commissioner with the approval of the First Member of Council.
